Sir:

INFORMATION DISCLOSURE STATEMENT UNDER C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the document listed on the attached PTO Form 1449. To the best of the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application. Accordingly, Applicants do not believe that a fee is due for filing this paper.

A Korean Office Action dated May 4, 2007 (with English-language translation) that issued in a Korean patent application and having documents cited therein is attached for the Examiner's consideration.

Except as discussed below, the cited document is listed on the attached PTO Form 1449 and a copy of the cited document is also attached hereto.

While the Korean Office Action dated May 4, 2007 additionally cites to JP 2000-243574, this document is not listed on the attached PTO Form 1449 because it was previously cited in an Information Disclosure Statement in this application on April 12, 2007.

The relevance of the attached foreign language document can be understood from the attached English-language abstract, and/or from the citation of this document in the attached Korean Office Action dated May 4, 2007. Applicants respectfully request that the Examiner consider the listed document and evidence that consideration by making appropriate notations on the attached PTO Form 1449.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitute "prior art." If it should be determined that the listed document does not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

EXCEPT for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. § 1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0573.

This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSIONS OF TIME** in accordance with 37 C.F.R. § 1.13(a)(3).

Respectfully submitted,
